DANCE QUOTES

It takes an athlete to dance, but an artist to be a dancer.

You've got to dance like nobody's watching and love like it's never going to hurt.

When in doubt...dance.

Why do I dance?...Why do I breathe?

If anyone ever says to you "dancing is wimpy" just say "if dance were easy they'd call it football."

The dance is a poem of which each movement is a word.

Dance to express not to impress.

If you have to ask me why I dance, you will never understand.

Dance is the hidden language of the soul.
